Marriage Matters Cynthia Ellingsen

In this “funny, touching, and heartwarming romantic” (JULIE JAMES) novel, a bride-to-be contends with wedding plans, work pressures, and second thoughts.... For fans of Emily Giffin and Julie James.

On top of grad school, clinical hours, and part-time work, Chloe is surprised to find a ring on her finger. Sharing the news about the engagement is easy, except with her best friend, Ben. Their relationship has always been platonic and he has stood by her through thick and thin...so what's his problem with the new man in her life?

As she gets caught up in the whirlwind of planning a five-star wedding, she can't stop the nagging feeling that something isn't quite right. And Ben, the one person she wants by her side, is suddenly MIA... The guests are invited, the gifts wrapped, the flowers ordered, and her bridal gown fits like a dream. The only thing left is a walk down the aisle. Backing out now would be the biggest mistake of her life, right? Unless the biggest mistake would actually be saying, “I do”...
