Swiss Case Law in International Arbitration: 2nd Revised Edition Christoph MÃfÂ1/4ller

This book presents the complete case law (about 700 cases) regarding the Swiss Arbitration Act (Chapter 12 of the Private International Law Act, PILA) and the New York Convention on the Recognition and Enforcement of Foreign Arbitral Awards of 1958 (NYC). The holdings of each case are listed systematically by specific issues under each article of the PILA and the NYC. This makes the book a practical and indispensable guide for international and foreign arbitrators, counsel, and State courts practicing international arbitration in connection with Switzerland. The book includes a chronological list of all cited cases, a glossary (in English, German, French, and Italian) of the principal technical terms, and an index of specific terms.
