Yellowstone and Mt. Rushmore: A Three-Week Road Trip John Louis Peters II

A man's desire to relive the station wagon road trips of his youth, leads him and his family on a 4013-mile epic journey from the shores of California to the lights of Las Vegas, the geysers of Yellowstone, the granite faces of Mount Rushmore, and one of the largest water parks in the West-Water World. While there are similarities to "National Lampoon's Vacation", I can assure you that no one was tied to the roof. I hope "Yellowstone and Mt. Rushmore: A Three-Week Road Trip" will inspire you to take your own road trip to visit some of the West's most iconic destinations and discover the multitude of rarely visited treasures that dot the landscape between them. Enjoy.
