Alfie Leng e i cacciatori di mostri (Italian Edition) Claudia Facchi

Esiste un mondo fatto di paure, di mostri nascosti sotto il letto e nell'armadio, pronti a rapire e mangiare i bambini. Un mondo in cui i genitori non credono più.

E' su questo che Alfie riflette, dopo che suo fratello maggiore Robby, viene rapito da una creatura mostruosa uscita dall'armadio e non fa più ritorno a casa. Scomparsa che sconvolge la sua giovane vita, fino a quando scopre che esistono degli adulti in grado di credere ancora nei mostri, adulti che forse lo possono aiutare a ritrovare suo fratello.

Questi adulti sono "Cacciatori di Mostri". Viola, Anacleto, Arcibaldo e molti altri, raccolgono le segnalazioni dei bambini e li salvano dai mostri che infestano le loro case.

Alfie, dopo sei anni dalla scomparsa del fratello, si unirà a loro, in un'avventura che lo porterà ad attraversare l'intero mondo dei mostri, il Pandemon, per ritrovare Robby, seguendo le antiche tracce lasciate da un esploratore scomparso che risponde al nome di Dante Alighieri e che sono disseminate nel manoscritto della Divina Commedia.
