**As wolves among sheeps La saga funeste du NSBM: 102 (Camion Noir) (French Edition)** Davide Maspero

À la fin des années 90, le black metal – qui avait déjà fait parler de lui suite à une sanglante série de violences, d’attentats et d’homicides – se fonde avec le credo nazi et la propagande de groupes affiliés au suprématisme blanc. Le résultat est un mélange identitaire sans précédent par sa violence sonore et son idéologie féroce, une formule d’extrêmes intransigeants ayant donné vie à des centaines de groupes et attiré des milliers de partisans dispersés dans le monde entier : de la Russie aux États-Unis, de la Grèce à la Pologne, mais aussi en Australie, en Amérique du Sud, en Scandinavie, et en Italie. Véritable descente aux enfers, ce livre illustre les origines et le développement du désormais célèbre NSBM (National Socialist Black Metal), un phénomène qui a transcendé la musique jusqu’à devenir une véritable doctrine, un appel aux armes diabolique pour des jeunes dissidents ayant déclaré la guerre à la société. Le résultat est un pan entier d’underground noir montré dans son essence la plus primaire à travers les mots et les images de ses nombreux protagonistes.
