## **Il libretto rosso di Gesù (I libretti rossi) (Italian Edition)** Fabio Zanello

Nella Palestina di duemila anni fa, in una terra oppressa dalla dominazione romana e angariata dalla gerarchia sacerdotale, collusa con il potere di Roma, la predicazione di Cristo fu un fatto talmente eccezionale da giungere fino a noi. E in effetti il corollario di persecuzione e morte che accompagna il figlio del falegname è meno difficile da capire se, pensando a Gesù, si pensa a qualcuno più interessato a cambiare radicalmente questo mondo che a rimandare la "salvezza" all'avvento di un ipotetico mondo a venire. Le stesse immagini che accompagnano l'esistenza del re dei Giudei - dalla cacciata dei mercanti dal Tempio al Discorso della montagna, in cui si teorizza la necessità di sovvertire la povertà - sembrano più in linea con la biografia di un rivoluzionario che con quella di un pio adoratore dello spirito. Portate "fuori dal tempio" dalla ricerca di Fabio Zanello e strappate a duemila anni di censura ecclesiastica, queste immagini si traducono in un "quinto vangelo", Il libretto rosso di Gesù, mostrandosi finalmente per quello che sono: una battaglia mai conclusa per conquistare - qui e ora - l'unica, vera pace. Quella della giustizia sociale.
