The Internet: 21 (Issues Today) Claire Owen

In the past fifteen years the Internet has revolutionised the way we communicate and share information, but there are also many online dangers to trap an unwary user. What impact has the Internet had on our lives? Do the dangers of the Internet outweigh its benefits? How can we protect ourselves from identity theft, viruses and Internet predators? This book looks at Internet trends and online risks. The information comes from a variety of sources, including government reports and statistics, newspapers and magazine articles, surveys and polls, academic research and literature from charities and lobby groups; articles have been tailored to an 11 to 14 age group. Additionally, at the end of each chapter are two pages of activities relating to the articles and issues raised in that chapter.
