**I numeri dell'amore: Alla ricerca della Formula Cubana (Robin&sons) (Italian Edition)** Micol Cerrone  
"I numeri dell'amore" è una raccolta di racconti uniti dal filo conduttore di un'unica voce narrante, quella di Zelda "la Doctora", che annota le proprie storie in un piccolo taccuino rosso: storie d'amore e di relazioni intessute tra Milano e Cuba, i cui protagonisti sono, di volta in volta, buffe caricature o drammatiche persone, che si incontrano e si scontrano a suon di promesse e tradimenti, di tamburi e, immancabilmente, di rum.

Attraverso uno stile colloquiale e ironico, Zelda fornisce una descrizione divertente ma anche critica di una realtà, quella cubana, fatalmente lontana dalla vecchia Europa e della difficoltà del rapportarsi ad essa, cercando di scovare tra le righe la radice della cubanite, il segreto della "Formula Cubana".
