*An invisible red thread connects those who are destined to meet, regardless of time, place or circumstances. The thread may stretch or tangle, but will never break." - early Chinese belief*

This art book of beautiful images by celebrated artist Soizick Meister is the second book about "Mr. M", a mysterious and imaginative dreamer.

Arcane, evocative words and rich language are used to tell this new tale of Mr. M who has recently been liberated from heavy memories and uncertainties, (struggles he overcame in "Mr. M and the Exploring Dreamer"). But now he realizes he is still missing something: companionship. Mr. M, remembering someone who he loved long ago and lingers still in his mind, he sends her messages. Using the early Chinese idiom of "the red thread" - the connection linking humanity to one another, as inspiration, Mr. M's messages take the form of mystical red threads. However, messages never take the place of meeting face-to-face, and ultimately, Mr. M must embark to reconnect with her in person. "Mr. M and the Red Thread" will resonate with all those whose hearts have searched and struggled to find true love.
