The Truth About Angels: Angelic Encounters from a Biblical Perspective Terry Law

Christians and non-Christians alike are encountering angelic beings more than ever, but what does Scripture say about the appearance of angels? In this revision of his eye-opening book, Terry Law presents fascinating biblical truths about both God's angels and evil angels, while exposing false and dangerous teachings that use New Age techniques to contact these powerful beings. Exploring many real-life stories of experiences with angels, Law believes there is an increase in angelic activity because the world is on the brink of the greatest revival and the most cataclysmic events in the history of mankind.

The Truth About Angels will answer:

- What are angels, and where did they come from?
- Are angels appearing more frequently around the world?
- Do you have a guardian angel?
- Are angels involved in healings or the working of miracles?
- How do angels and the Holy Spirit work together?
