American State-Building in Afghanistan and Its Regional Consequences: Achieving Democratic Stability and Balancing China's Influence Neamat Nojumi

his book explains why and how the U.S. and Nato military gains have not produced the expected political victory, and calls for rethinking U.S. policy toward promoting Afghanistan as a regional economic hub in Southwest and Central Asia as it fits within the broader national security interest of the regional states. It argues for defining Afghanistan within the U.S. national security interests in Southwest and Central Asia, including Iran, and offers critical strategic tools for Washington to support political openness and reforms that can balance China and Russia, as well as more effectively manage Iran's regional behavior. It defines the strategic interests of each of Afghanistan's neighboring states and key regional actors to explain why a rethinking of the U.S. role in Afghanistan can assist the emergence of a new regional order in Southwest and Central Asia, which in turn can embolden a free market economy and a growing political openness superior to authoritarianism and Islamist militancy.
