Lazarillo de Tormes (Letras mayúsculas. Clásicos castellanos) (Spanish Edition)

Lazarillo de Tormes (Letras mayúsculas. Clásicos castellanos) (Spanish Edition)

A number of the great classics of Spanish-language literature are brought together in this series of specially adapted titles for young adults. Each title contains text written in a literary but accessible style and a full-color documentary that provides information about the author, the work, and the time period.

As entertaining and bitinglly witty now as it was when it was first published anonymously at the height of the Inquisition in 16th-century Spain, this classic of Spanish literature follows the fortunes of Lazarillo de Tormes, a peasant boy who begins as an apprentice to a blind beggar and who gradually rises through the ranks to become the servant of the archbishop. Along the way, Lazarillo must rely on his cunning and the occasional bout of petty thievery to see himself through. This faithful adaptation introduces a new generation of readers to the novella that is credited with founding the genre of the picaresque novel.

Un número de los grandes clásicos de la literatura en castellano están reunidos en esta serie de títulos especialmente adaptados para los adolescentes. Cada título contiene un texto literario pero accesible y un documental a todo color con información sobre el autor, la obra y la época.

Tan divertido y agudamente mordaz hoy en día como lo fue cuando se publicó anónimamente por primera vez en plena Inquisición en España durante el siglo XVI, este clásico de la literatura castellana sigue las fortunas de Lazarillo de Tormes, un pobre adolescente quien comienza como aprendiz a un mendigo ciego y llega a ser el sirviente del arzobispo. A lo largo de su trayecto, Lazarillo tiene que depender de su astucia y, de vez en cuando, de pequeños robos para sobrevivir. Esta fiel adaptación le presenta a una nueva generación de lectores la novela que fue responsable por crear el género de la novela picaresca.
