Artemis (Kydd Sea Adventures Book 2) Julian Stockwin

With *Kydd*, Julian Stockwin introduced us to a young wig-maker from Guildford who was kidnapped and pressed into duty with the tempestuous crew of the *Duke William* battle ship. Now, Thomas Paine Kydd is back -- with a vengeance -- in the latest installment of Stockwin's thrilling naval adventure series.

Artemis is the eighteenth-century crack frigate that Kydd and sea-mate Nicholas Renzi are set to sail all the way to the fabled Far East. In this great age of fighting sailing ships, Kydd's voyage promises to be a perilous undertaking. But not even shipwreck, mutiny, or a confrontation with a mighty French frigate manages to thwart *Artemis* and her crew. It's only when Kydd receives an urgent message from home -- one that threatens to cut short his career and trap him on shore forever -- that *Artemis's* real journey begins.

Filled with mesmerizing suspense and vivid details of Napoleonic-era seafaring, *Artemis* is classic, page-turning storytelling at its best.
