**Cherringham - A Deadly Confession: A Cosy Crime Series** Matthew Costello, Neil Richards  
Cosy crime series.

On the edge of Cherringham lies St. Francis' Convent, home of the Sisters of St. Francis, a small Catholic teaching order. Here a handful of nuns worship, contemplate, and pray. And here one Easter the beloved local priest Father Byrne meets his unexpected demise. The circumstances of the death are suspicious, and soon Jack and Sarah are on the case: what secrets did Father Byrne take to the grave? Who wanted him dead? And is religious faith ever a guarantee of innocence?

-- Cherringham is a serial novel à la Charles Dickens, with a new mystery thriller released each month. Set in the sleepy English village of Cherringham, the detective series brings together an unlikely sleuthing duo: English web designer Sarah and American ex-cop Jack. Thrilling and deadly - but with a spot of tea - it's like Rosamunde Pilcher meets Inspector Barnaby. Each of the 12 self-contained episodes is a quick read for the morning commute, while waiting for the doctor, or when curling up with a hot cuppa.

-- For fans of Agatha Christie's Miss Marple series, Lilian Jackson Braun's The Cat Who series, Caroline Graham's Midsomer Murders, and the American TV series Murder She Wrote, starring Angela Lansbury.

-- Co-authors Neil Richards (based in the UK) and Matthew Costello (based in the US), are known for their script work on major computer games. The Cherringham crime series is their first fictional transatlantic collaboration.
