¿Por qué el 45? Porque fue un año decisivo, en cuyo transcurso se determinó el sentido que tendría la próxima década argentina. Y no solamente porque el entonces coronel Perón haya llegado al poder e iniciado su hegemonía, sino porque el país entero decidió entonces adquirir un determinado estilo político y asumir una determinada conciencia. Ciertos valores cayeron para siempre y otros quedaron afirmados, también para siempre, en 1945. Probablemente no haya año del siglo XX que señale una transición nacional con caracteres tan claros y netos. Además, el 45 estuvo lleno de hechos singulares, quizás irrepetibles, que adquirieron una fecunda perspectiva histórica en la medida que se los analice tratando de llegar al fondo del asunto.
