## **Ocultismo: ¿Parapsicología o fraude? (Spanish Edition)** José de Segovia

No sé si es exagerado hablar de un resurgir del ocultismo, ya que este es un tema que siempre ha estado de moda. Lo cierto es que uno no deja de sorprenderse al ver cómo se multiplican las revistas de esoterismo, seminarios y conferencias que nos introducen a todo tipo de métodos, misterios y técnicas. Gurús y sectas compiten junto a las historias más absurdas en un nuevo auge del pensamiento mágico, que encuentra siempre eco en los medios de comunicación y mantiene un poderoso mercado editorial en torno a un millón de títulos. Astrólogos y curanderos ofrecen sus servicios a precios exorbitantes por las más increíbles sesiones y tratamientos. Y como toda gran industria, no carece de credibilidad. Es como si la mayor parte de la gente creyera que algo de verdad tiene que haber en todas estas cosas.
