Painting with Children Brunhild Muller

A vital factor in every child's development is the stimulation of active imagination and creativity. This book presents ideas that encourage self-expression through the medium of watercolors.

Fundamental and practical, this book is based on Goethe's color theory, showing that painting with children is more than merely a form of self-expression? Brunhild Müller encourages the reader to understand children's fantasies and inner being through their artworks.

This is an essential guide for parents and teachers. It covers preparation, color stories and poems, and painting the moods of nature and seasons of the year.
