Anna Teller

Jo Sinclair

Anna Teller Jo Sinclair

Highly praised when first published in 1960 (*Kirkus Reviews* called it "distinguished"), *Anna Teller* portrays the sage of a Jewish-Hungarian family through three quarters of a century in Europe and the United States. We see 74-year-old Anna, known to her family as "the General", first running a farm and a mill after her husband's death, then helping to keep another woman alive during the worst of the Nazi occupation, and later as an elderly woman fighting the Russians during the failed Hungarian revolt of 1956.

The core of the novel lies in Anna's stormy relationship with her son and his American family, fueled by mutual guilt at the death of relatives in the concentration camps. Anna's adjustment to the baffling mores of a new country, as well as the final making peace with her family, give the novel a powerful emotional resonance shared by the best of family sagas.

From reader reviews:

Brian Price:

Playing with family in a park, coming to see the water world or hanging out with buddies is thing that usually you have done when you have spare time, after that why you don't try matter that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love Anna Teller, it is possible to enjoy both. It is very good combination right, you still want to miss it? What kind of hangout type is it? Oh can happen its mind hangout guys. What? Still don't have it, oh come on its called reading friends.

Irma Hughes:

You can spend your free time to see this book this reserve. This Anna Teller is simple to create you can read it in the park, in the beach, train in addition to soon. If you did not include much space to bring the particular printed book, you can buy the actual e-book. It is make you simpler to read it. You can save the actual book in your smart phone.
