A Woman's Guide to Living with HIV Infection (A Johns Hopkins Press Health Book) Rebecca A Clark, Robert T Maupin, Jill Hayes

Written by three experts with extensive experience helping people with HIV/AIDS, this trusted resource is the complete guide to better physical and emotional health for women living with HIV or AIDS. It covers the full range of health and emotional issues faced by people with HIV while also addressing topics of special interest to women, including gynecologic disorders, reproductive choices, contraception, and pregnancy.

The world of HIV/AIDS diagnosis and therapy is changing dramatically. At-home testing is now available, people exposed to the virus may be able to get immediate treatment, and the number of dominant classes of HIV treatment has increased from four to six. This new edition of *A Woman's Guide to Living with HIV Infection* includes the latest information on diagnosis and treatments as well as recent findings about pregnancy and HIV, starting treatments when you have HIV-related complications, liver health and hepatitis, and sexual health.
