Battle for the Central Highlands: A Special Forces Story George Dooley

THE CENTRAL HIGHLANDS--WHERE DANGER REIGNED SUPREME AND DEATH WAS A CONSTANT COMPANION

The fighting was fierce in the Central Highlands where Green Beret George Dooley served with elite Special Forces A-teams, training the rugged Montagnards in guerrilla warfare and accompanying them on patrols. The Viet Cong and NVA were entrenched in the sparsely populated Highlands, where towering mountains gave them the ruthless upper hand.

The missions Dooley led, often in enemy territory, provided a steady diet of sniping, ambushes, booby traps, and mines. As the war escalated, Dooley commanded his own A-team, and the battles against the large numbers of crack NVA troops became even more desperate and deadly. By then military command routinely assigned anything-but-routine missions to Special Forces and expected them to meet their objectives. BATTLE FOR THE CENTRAL HIGHLANDS details the unbelievable valor of these legendary American warriors. . . .

From the Paperback edition.

Is it an individual who having spare time then spend it whole day by means of watching television programs or just lying on the bed? Do you need something totally new? This Battle for the Central Highlands: A Special Forces Story can be the response, oh how comes? It's a book you know. You are and so out of date, spending your spare time by reading in this fresh era is common not a nerd activity. So what these textbooks have than the others?

Robert Victor:

As a university student exactly feel bored to help reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just minor students that has reading's heart or real their interest. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that examining is not important, boring in addition to can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Battle for the Central Highlands: A Special Forces Story can make you truly feel more interested to read.
