Crete 1941: The Battle and the Resistance

Antony Beevor

Crete 1941: The Battle and the Resistance Antony Beevor

The bestselling author of *Stalingrad* and *D-Day* vividly reconstructs the epic WWII struggle for Crete – reissued with a new introduction

Beevor's *Ardennes 1944: The Battle of the Bulge* is now available from Viking Books

Nazi Germany expected its airborne attack on Crete in 1941 to be a textbook victory based on tactical surprise. Little did they know that the British, using Ultra intercepts, had already laid a careful trap. It should have been the first German defeat of the war when a fatal misunderstanding turned the battle around.

Prize-winning historian and bestselling author Antony Beevor lends his gift for storytelling to this important conflict, showing not only how the situation turned bad for Allied forces, but also how ferocious Cretan freedom fighters mounted a heroic resistance. Originally published in 1991, *Crete 1941* is a breathtaking account of a momentous battle of World War II.

From the Trade Paperback edition.
