## **La reina de America: novela (Spanish Edition)** Jorge Majfud

Durante casi un siglo, el Río de la Plata fue uno de los destinos principales de los inmigrantes europeos, especialmente de aquellos españoles e italianos que huían de las guerras y de la pobreza. Hasta mediados del siglo pasado, cientos de miles de inmigrantes llegaron a Montevideo en busca de realizar sus sueños del otro lado del Atlántico. Algunos lograron amasar grandes fortunas, pero otros sólo encontraron nostalgia, soledad y más sufrimiento. La reina de América es, si se quiere, una de esas posibles historias en donde se mezclaron el orgullo y la vanidad del éxito con todo el dolor del fracaso, del ultraje, de la más profunda soledad y del desamparo; la hipocresía del poder y la lucha de aquellos que se opusieron al mismo con su vida y con todo el dolor moral de los que sobrevivieron. Hija de un rico aristócrata español caído en la ruina, Mabel será arrastrada por su padre en su huida de la vergüenza, hacia la América prometida. Pero en el barco que debía llevarlos a Buenos Aires, Mabel conoce a Jacobsen, un danés probablemente anarquista que provocará la ira de su padre, quien no sólo le prohíbe continuar con esta relación nacida clandestina sino que, además, la condenará a un remordimiento sin atenuantes, cuando muera de un ataque al corazón en Montevideo, la última escala en su camino al paraíso. Desconociendo la tragedia de Mabel. Jacobsen continuará viaje hasta Buenos Aires, mientras que ella se quedará esperándolo, cada atardecer, en el puerto montevideano. A esta joven de la clase alta madrileña la espera la prostitución, una feroz dictadura militar y una hija a la que llamará Consuelo. Violada por un cliente de su propia madre, Consuelo se transformará en una de las principales voces de esta novela de "amor, locura y muerte", distinguida en Cuba en el concurso Casa de las Américas 2001, "porque destaca una escritura rabiosa respecto a los poderes constituidos mediante el uso de la parodia y la ironía", según el jurado integrado por Belén Copegui (España), Andrés Rivera (Argentina), Mayra Santos Febres (Puerto Rico), Beatriz Maggi (Cuba) y José Luis Díaz Granados (Colombia).

The reason why of this La reina de America: novela (Spanish Edition) can be one of several great books you must have will be giving you more than just simple examining food but feed a person with information that perhaps will shock your previous knowledge. This book is definitely handy, you can bring it all over the place and whenever your conditions both in e-book and printed types. Beside that this La reina de America: novela (Spanish Edition) forcing you to have an enormous of experience such as rich vocabulary, giving you demo of critical thinking that we realize it useful in your day activity. So , let's have it and luxuriate in reading.

#### **Eleanor Walker:**

Are you kind of stressful person, only have 10 or 15 minute in your day time to upgrading your mind expertise or thinking skill perhaps analytical thinking? Then you are having problem with the book as compared to can satisfy your short period of time to read it because this time you only find reserve that need more time to be learn. La reina de America: novela (Spanish Edition) can be your answer as it can be read by you who have those short spare time problems.

#### **Byron Angle:**

Do you like reading a reserve? Confuse to looking for your preferred book? Or your book has been rare? Why so many issue for the book? But any people feel that they enjoy intended for reading. Some people likes looking at, not only science book but novel and La reina de America: novela (Spanish Edition) or others sources were given information for you. After you know how the truly amazing a book, you feel want to read more and more. Science guide was created for teacher as well as students especially. Those guides are helping them to bring their knowledge. In other case, beside science book, any other book likes La reina de America: novela (Spanish Edition) to make your spare time far more colorful. Many types of book like here.

#### **Carole Arehart:**

As a scholar exactly feel bored in order to reading. If their teacher asked them to go to the library or make summary for some guide, they are complained. Just tiny students that has reading's soul or real their interest. They just do what the educator want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that studying is not important, boring and also can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this La reina de America: novela (Spanish Edition) can make you really feel more interested to read.
