Persona (The Persona Sequence)

Genevieve Valentine

Persona (The Persona Sequence) Genevieve Valentine

“Blending celebrity and international diplomacy in a near-future Paris, Valentine crafts an intimate thriller than unmasks the players in the game.” —*Publishers Weekly*

When Suyana, Face of the recently formed United Amazonia Rainforest Confederation, is secretly meeting Ethan of the United States, a potential ally for her struggling country, the last thing she expected to be was a victim of an assassination attempt. Daniel, a teen runaway turned paparazzo hoping to make a name for himself, witnesses the first shot targeted for Suyana. Without thinking, he jumps into the action telling himself it's not selflessness, it's the scoop. Now Suyana and Daniel are on the run—and if they don't keep themselves one step ahead, they'll lose it all.
