Clínica de entrenamiento para padres, Guía del líder: De solo padre a excelente padre (Spanish Edition) GPH Gospel Publishing House

En una época en que a los padres no necesariamente se los considera como ejemplos positivos, la Clínica de entrenamiento para padres busca ayudar a los padres a adquirir las habilidades necesarias para pasar de la mediocridad a lo extraordinario en su papel de padres. Los entrenadores del Gran Salón de la Fama pasaron por preparación estratégica para ser excelentes entrenadores. Lo mismo deben hacer los futuros padres exitosos. Deben pasar por una fase de preparación con el fin de establecer un plan exitoso para la crianza de sus hijos. En esta clínica de cinco sesiones los hombres aprenderán 16 puntos que les permitirán establecer lazos fuertes y duraderos con su esposa y sus hijos, para crear así un poderoso legado para generaciones venideras. **SESIONES:** 1. La preparación del entrenador 2. El plan de acción del entrenador 3. El poder del amor de padre 4. “Guiar” para ser un padre eficaz 5. Un padre para el Salón de la Fama -- El material se puede cubrir en un retiro de fin de semana, en una clínica de un día, o en reuniones semanales de pequeño grupo. Este estudio ayudará tanto a hombres creyentes como a inconversos a comprender y asumir debidamente sus responsabilidades como padres.
