Frogs Being Froggy (Frogs of the World) Speedy Publishing

A picture book about frogs can work wonders for a child's imagination. The child will leave the book with a deeper understanding about frogs and can then go and imagine what life is like for frogs. If children are prompted to, then they can draw or write about what life might be like for frogs. They may even make up stories with frogs in them. Children have rich imaginations and a picture book about frogs will only feed that imagination.
