One Thousand and One Nights Ruth Browne

Sheri spends her days fighting zombies and her nights chained to a wall, earning her every breath by telling stories to her captor Aleksy-stories that make them both forget the ruined world. Sheri could put up with the conditions-at least she knows her sister is safe in the community Aleksy leads-until she realizes she's falling for him...even though he wants her dead.

When Aleksy allowed Sheri and her sister into his compound, he didn't know about the zombie bite on her back. It's only a matter of time before she turns into one of the rising dead and threatens their existence, but Aleksy has a secret need for Sheri and her stories. For everyone's safety, he chains her to his bedroom wall, hoping for just one more day. But how long will the community allow Aleksy to ignore his own rule: always kill the infected. Always.
