## **What Mothers Do Especially When It Looks Like Nothing** Naomi Stadlen

Instead of preaching what mothers ought to do, psychotherapist Naomi Stadlen explains what mothers *already* do in the course of any exhausting day's work. Drawing from countless conversations with hundreds of mothers spanning more than a decade, *What Mothers Do* provides lucid insight into the true experience of motherhood and answers the perennial question common to mothers everywhere: What have I *done* all day?

Stadlen's wise reflections, threaded throughout with the voices of real mothers, explore unsentimental reactions to motherhood-resentment, guilt, splintered identity, crippling inefficiency, and deadening fatigue. Yet the overriding sentiment is one of empowerment and wonder, as Stadlen illustrates how seemingly insignificant skills such as responding to a baby's colicky cry, being instantly interruptible, or soothing an overstimulated child to sleep profoundly contribute to an individual's socialization, self-worth, and curiosity. Remarkably perceptive and heartening, *What Mothers Do* will resonate with mothers everywhere in search of understanding and wisdom.
