Children's Literature: Developing Good Readers (Source Books on Education)

Children's Literature: Developing Good Readers (Source Books on Education)

This chronological guide to the developmental stages, and corresponding literary needs and preferences, of early childhood is the unique result of combining the expertise of educational professionals with that of a children's librarian. Each chapter describes a developmental stage of childhood and presents appropriate books for that reading level, providing expert guidance in today's crowded children's book market.
