**O triunfo das nulidades: e outras crônicas para refletir o Brasil (Portuguese Edition)** Diego Casagrande  
O autor forjado no calor do debate, tem seu ponto forte na opinião. Naturalmente destemido, não foge de divididas, situando-se em termos ideológicos e assumindo publicamente posições que muitos concordam sem admitir, enquanto outros discordam ruidosamente. É neste momento que Diego ocupa a função de porta-voz, angariando o respeito até mesmo de seus opositores (ou principalmente destes) em virtude de sua sinceridade. Ao longo do livro, temas espinhosos como redução da maioria penal, educação, administração pública e relações políticas jamais são tergiversados. Jornalista multimídia, é no rádio que ele parece se mostrar por completo – na voz que sua personalidade se revela mais límpida. Ao compor uma coluna semanal no Metro Jornal Porto Alegre, Diego nada mais fez do que transportar sua voz para a lauda. Ele dispara argumentos e costura conceitos como quem conta com dois minutos para tecer o comentário, nem que para isso precise dedicar muitas releituras antes da versão final. Porém, consciente de que a linguagem escrita guarda peculiaridades, não se conformou em apenas ofertar essa transmutação, ampliou seus recursos, apropriando-se da técnica literária.
