But the Lords of Death have a problem? a new king calling himself Great Sun claims to have the Jaguar Stones, too. And they want Max to prove the guy's a fraud. Or else.

Now, Max, and Lola, the mysterious girl who befriends him, are off on another wild adventure that will take them from Central America to New Orleans and up the Mississippi to the lost city at the heart of America's past. But one thing Max should have learned after all of his dealings with the Death Lords? they never keep their promises.
