Benjamin Bear in Brain Storms!: TOON Level 2

Benjamin Bear in Brain Storms!: TOON Level 2

Praise for Philippe Coudray's Benjamin Bear series:

"A visually formatted joke book to inspire thinking as well as laughs."—*Kirkus Reviews*

"A marvel of economy in setup, delivery, and payoff."—*Booklist*, starred review

"This book rewards what six-year-olds are already good at (scrutiny), encourages a new skill (reading), and enlarges the imagination (heaven)."—*The Horn Book*, starred review

Benjamin Bear can always surprise his friends, whether it's by walking on his hands during a snowstorm or by using a tree as a parachute. This unassuming bear may at first seem down-to-earth, but his ideas are always out of this world. His zany approach to life has earned him two Eisner Award nominations and bestseller status among kids everywhere. In the third book about Benjamin's adventures, author Philippe Coudray continues to delight readers by bending the rules of common sense and breaking the laws of physics. Pull up a chair, grab a friend, and open your mind—today's forecast is for BRAIN STORMS!

Philippe Coudray loves drawing comics, and his many children's books are often used in the schools of his home country of France. His work was chosen by students to win the prestigious Angoulême Prix des Écoles. His first two books in English, *Benjamin Bear in Fuzzy Thinking* and *Benjamin Bear in Bright Ideas*, were both nominated for the Eisner for Best Publication for Early Readers.
