When Celia Seduced Me: A First Lesbian Sex Experience Connie Hastings

My roommate and I were at a party, and one of the questions for a party game involved sex with someone of the same gender. It was embarrassing since I was the one who had to answer. Later, Celia talked more about it and before I knew it, she was kissing me! Things got crazy from there, and I had my first ever lesbian sex!

Warning: This audiobook contains very explicit descriptions of sexual activity including first lesbian sex, lesbian seduction, and more.
